

## DESCRIPTION

Extend blemish- and oil-control beyond cleansing with the Clear Future Toner. It is formulated to naturally clarify skin and shrink enlarged pores while maintaining balance and comfort with probiotics. The Tonic will leave skin cleaner, refreshed and more resistant to congestion and breakouts through the day or night.

## BENEFITS

- Naturally clarifies skin, helps to control sebum and reduces appearance of enlarged pores
- Powerful anti-inflammatory, antibacterial, astringent, antifungal and antioxidant properties
- Protects barrier function and moisturization of stratum corneum

<b>PRESENTATION</b> <i>Retail:</i> 3.4 oz. White Bottle with Pump	<b>SKIN TYPE</b> Combination to Oily Skin with acne or occasional breakouts.	<b>pH</b> <b>3.6</b>
--	---	-------------------------

## USAGE

Shake to Activate™; Apply Clear Future Toner with cotton pad to cleansed skin once or twice daily.

## CAUTION

Do not use if the skin is broken/cracked. For external use only. Avoid contact with eyes. Keep out of reach of children. This product contains a BHA (Beta Hydroxy Acid) that may increase skin's sensitivities to sunlight and the risk of sunburn. Wear an SPF during the day.

\*organic

## KEY INGREDIENTS

**Salicylic Acid:** BHA (Beta Hydroxy Acid) has an exfoliating effect to help clear skin's surface and pores of debris (oil, dead cells); helps improve fine lines, reduce inflammation and control blemish-causing bacteria.

**Neutrazen:** Neuropeptide; prevents and reverses signs of neurogenic inflammation; calms and soothes irritated skin; helps to maintain and restore a normal skin sensitivity threshold Neuropeptide

**Malva Sylvestris (Mallow) Flower Extract:** skin-soothing properties for the skin, as well as some potential antioxidant benefits Syringa Vulgaris (Lilac Stem Cells): helps to regulate sebum: antifungal and anti-inflammatory properties

**Fomes Officinalis (Mushroom) Extract:** Pore tightening, moisturizing, astringent properties and controls sebum

**Yogurt Extract & Yogurt Powder:** Probiotic; rich in protein; provides moisturizing properties that work to hydrate the stratum corneum; can help decrease trans-epidermal water loss, thus increasing the smoothness and softness of the skin. Antimicrobial and anti-inflammatory
