Aromatic Wellness Soak

Eucalyptus and Basil

Ambrosia Aromatherapy is a total wellness system for skin, body, mind and soul

DESCRIPTION: Ambrosia Aromatherapy Aromatic Wellness Soaks are relaxing and help to take away stress and fatigue and are made with the purest essential oils. Eucalyptus and Basil Aromatic Wellness Soak is a muscle-soothing blend which eases congestion.

USAGE:

Salon | The versatility of the Aromatic Wellness Soak will give your treatment a new meaning. Enjoy the Wellness Soak in your treatment room by adding a few drops of Wellness Soak to cabi water for use with treatment towels, cotton and sponges. It can also be added to a steamer – first add it to water and then to the steamer.

Home | Bring the aromatherapeutic spa experience home – Aromatic Wellness Soak is great for relaxing in the bath. Add a generous amount of Aromatic Wellness Soak directly to warm water; can also add to a sponge or face cloth when removing makeup for a calming and soothing experience.

FEATURES AND BENEFITS:

Soothes Muscles and Skin | Eucalyptus promotes blood circulation and Basil is soothing and calming and beneficial for sluggish and congested skin. Geranium helps to improve circulation. Cajeput Oil, held in high regard in the East, is used to soothe aches, pains, and skin

diseases while re-equilibrating energy imbalances. Chamomile is calming and soothing and helps to neutralize skin irritants. Calendula Extract from Marigold helps to ease muscular and vascular problems. Rosemary Leaf Extract moisturizes and soothes the skin while controlling inflammation.

Skin Softening | Grape Seed Oil contains bioflavonoids with hydrating and skin softening properties; it is also the most effective oil in fighting free radical damage. Soybean Oil is a smoothing and skin softening with high levels of Vitamins A, E, and K.
